

Supporting each other in teamwork

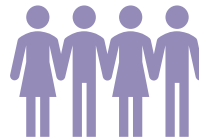

Our care teams at Essentia Health-Virginia include a wide variety of roles, such as nursing, radiology, lab, environmental services and more. We work together to provide top-quality care for our patients, their families and the communities we are privileged to serve.

What you've shared about the benefits of teamwork

"I am really happy to have such a good group on my weekend that works together, and we can ask each other questions without being judged."
— Intermediate Medical Care staff member

"We have a really great team that jumps in to help when we get busy."
— ER staff member

"I am so thankful for all the help the Med/Surg staff provide us. We know they are busy, too."
— OB team member

Teamwork is part of our core values

Supports our primary purpose of exceptional care for our patients and communities

Helps ensure a high level of patient safety

Increases patient satisfaction

Fosters connection, belonging and a positive work culture for colleagues
